

SECOND GRADE

- Concept development-- recognize tone color (timbre), tempo and dynamic aspects of music, identify meter, major scale with 8 tones, melody by step, skip and repeated tones
- Creative expression-- sing unison songs, rounds and hymns with accurate pitch, tempo, dynamics and phrasing, reflect beat and accent through movement and performance on rhythm instruments, participate in group/assembly singing and performances, practice attentive listening skills
- Historical/cultural heritage-- experience multicultural, ethnic and liturgical music
- Appreciation-- listen to/appreciate live and recorded music including classical and modern.
