

KINDERGARTEN

- Concept development-- recognize beat, rhythmic structure of music, pitch, form, tempo (fast/slow), dynamics (loud/soft), tone color (timbre)
- Creative expression-- sing rounds, songs/hymns with limited range, use rhythm band instruments to accompany songs and movement, experience rhythmic games, practice attentive listening skills, participate in group/assembly singing and performances, respond to music with walking, running and skipping
- Historical/cultural heritage-- identify common orchestral instruments by sound/picture, experience multicultural, ethnic and liturgical music
- Appreciation-- listen to live and recorded music.
